

## HIDDEN TEXTS OF NOSTRADAMUS ~ CHARLES

"He was born in 1948, the same year that Israel became a modern nation. He is a prince of the ancient people who came and destroyed the temple in Jerusalem — the Romans. His lineage chart traces to every great world leader including King David; he is referred to as the "son of David." His name can be calculated to the numerical value of 666 by the ancient Hebrew method in both English and Hebrew. His calling card visually presents the composite beast made from the body of a leopard, the feet of a bear, and the mouth of a lion. His power, throne, and great authority have been given to him by a red dragon. He wants to lead the European Union (the ancient Roman Empire) and have dominion over all nations. His name is Prince Charles of Wales. He is the leading candidate to be the prophesied antimessiah..... Further, saying Prince Charles IS the antichrist is outright slander and one of the most despicable things you can say of any public figure.

But aren't you saying that Prince Charles of Wales is the antimessiah in this article?

No, but I am saying that he fits more identifying prophecies about the antimessiah than any other person in history. [Only] When and if Prince Charles receives the prophesied 42 months to rule, then we can proclaim it to everyone. All doubt will have been removed."

And in his place a despicable person will arise, on whom the honor of kingship has not been conferred, but he will come in a time of tranquility and seize the kingdom by intrigue. DAN 11:21 with kind permission from TIM McHYDE © [www.EscapeAllTheseThings.com](http://www.EscapeAllTheseThings.com)

"Then it hit me. He is a Prince just as the Scripture says.

*Then after the sixty-two weeks the Messiah will be cut off and have nothing, and the people of **the prince who is to come** will destroy the city and the sanctuary. And its end will come **with a flood**; even to the end there will be war; desolations are determined. DAN 9:26*

The prince who is to come must be of Roman origin. It was the Romans who came and destroyed the temple and Jerusalem. The antimessiah must come from the fourth great beast described by Daniel — the Romans. Daniel later describes how the prince comes to power. He must do so while being a prince, not a king.

*And in his place a despicable person will arise, **on whom the honor of kingship has not been conferred**, but he will come in a time of tranquility and seize the kingdom by intrigue. DAN 11:21 "* **Tim McHyde** © [www.EscapeAllTheseThings.com](http://www.EscapeAllTheseThings.com)
